DATA WHICH PROVES THE DEATH OF ELIZABETH SHELTON,
WIFE OF ANDREW SPEER.

In former charts we have given a tradition that Andrew Speer and his wife both lived to be 105 years of age and died in Kentucky. That is now found to be a mixed tradition. We do not yet (1940) know where Andrew died.

1. . . .In the Wever Cemetery (near Leesville, Ind) is a stone with inscription
"Elizabeth Speer, wife of Andrew Speer, Died Feb 9th 1856 aged 86 years momo 6 da
2. . . .In Lawrence Co. Probate Book "E" p 277 Ob March 4th 1856, Joseph Speer was appointed administrator of the estate of Elizabeth Speer, deceased, with Andrew Speer and John W. Speer as his sureties.
3.Same volumn p 348 Joseph Speer, admin. of the estate of Elizabeth Speer, presented a claim for services rendered in her last sickness, and the court ordered that his claim of \$62 be allowed.
4.Book "E" p 418 Friday, October 9 1857 "Estate of Elizabeth Speer, deceased":
"Come now Joseph Speer, Andrew Speer, Elizabeth Weaver and Agnes Weaver, and prove that they are heirs of said deceased together with Nancy Romjin and the unknown heirs of John Speer, deceased, Susannah Goff, deceased, Mary Taylor, deceased, and Shelton G. Speer, deceased.

Whereupon it is ordered that the residue of said estate remaining at final settlement, whereof, after deducting costs since accrued, be paid out as follows to-wit to said Joseph Speer, Andrew Speer, Elizabeth Weaver and Agnes Weaver each \$11.77 and the residue to several other heirs aforesaid according to their respective rights when they shall appear and prove their heirship according to law".
Received our dividnd above-

his	her
Jacob Weaver	and Elizabeth Weaver
mark	mark
Agnes Weaver, by Andrew Speer, her att'y in fact	
Joseph Speer	
Andrew Speer	

This would disprove the tradition of Andrew and his wife living to death in Oldham Co., Ky We do not yet know (1940) where Andrew was buried, but he was apparently dead before 1856

This corrects the name of the daughter who married Joseph Taylor .She was evidently, Mary instead of Susan or Susannah.

This mentions Nancy Romjin as apparently another sister

It showw that Susan or Susannah married Joshua Goff rather than Taylor.

The man of the name of Jesse Speer given in former charts as a son of Andrew and Elizabeth Shelton Speer was not his son but his youngest brother. He married Sarah Elizabeth Solomon in Scott Co., Va and came to Leesville, thence on to Kansas and settled where Galena afterwards was built. He was born 1801 and d 1871 at Friends Cem n.w. of Riverton, Kans.

THE SPEER FAMILY
SCOTT COUNTY, VIRGINIA

Introduction

The first ancestor known in this line is Michael Speer, believed to be an Immigrant from Ireland. His home was at the site of the present town of Speer's Ferry which gets its name from the fact that Michael Speer operated a Ferry over the Clinch River there. Michael was for seven years in the army in Colonial and Revolutionary Wars. While he was away at the War he left his oldest son, Samuel in charge of the Ferry. He ferried Daniel Boone across with his party and went to Kentucky with them, settling at Campbellsville, Ky. The sons of Michael Speer as known (and this is not complete and as yet traditional) were: Samuel; John; Robert; Andrew and Jesse. There may have been others but these are known and Samuel is said to be eldest, Jesse the youngest (born 1801). In this chart, to avoid confusion, the sons of Michael are given as Generation I.
