## **New Additions by Jeannette Holland Austin**

**Alexander Moss was born 1771 in Goochland County, Virginia. He was a son of John Moss (1740-1810) who died in Edgefield County, South Carolina. John Moss was married on 11/20/1761 in Hanover County, Virginia to Charity Hughes (she died 1808 or 1818 in Lincoln County, Georgia). I feel confident that John Moss was the father of Alexander, although I did not find a will in Edgefield County, S. C. Alexander Moss resided on Newford Creek in Lincoln County.**
