Henry Joyce
Died Mar 11, 1826
This tablet records the death of Henry Joyce who departed this life March 11th 1826, in the 71st year of his age. In early youth he drew his sword in defence of his country & served with reputation in the War of the Revolution. He was an upright citizen & exemplary in all the relations of social life. His disconsolate widow and afflicted children have erected this tribute to his memory in humble hope that he rests in peace in the bosom of his heavenly father. This marker moved from Joyce Bluff by Glenwood Garden Club, December 1954.
