

JONES of Elbert Co.

James Jones, Revolutionary War Soldier, was b. 4/28/1764 in Virginia and died 1807 in Elbert Co., Ga. He served on the Georgia Continental Line, and received bounty grants in Georgia. The above reference indicates that James died in 1807, however, this is not true. He was listed on the 1850 Elbert Co. Census, age 79 (which makes his birth 1771), with his wife, E., age 77 or 79. Everytime I search the above R. W. S., James Jones, I confirm that he did not die in 1807. This is an error.
