To whom it may concern:

I am doing a trace on
my maternal Great-grandfather,
Malcolm Calhoun, or Colhoun,
or the Scotch-Irish spelling is
(Colquhoun) from the Calhoun
plantation who began the
Calhoun Settlement in Abbeville
County, District 46, of South
Carolina. (GAR)

Malcolm Calhoun was
born July 15, 1825 in Talbert
County, Georgia near, or in
Columbus, Georgia.

2.
He died in Tennessee at
the end of the Civil War as
a Confederate soldier - in battle,
probably April of 1865.
I do not know where his
body was buried, perhaps
Georgia or Alabama (??) (GAR)

What I need to know
are the name, birth dates,
and death dates of his
parents, and even brothers
and sister - if possible.
I am trying to determine
if he was a grandchild
or a nephew of Patrick
and Martha (Caldwell)
Calhoun, the parents of
John Caldwell Calhoun,
former, and pre-Civil War
Vice-President of the U. S. A.

3.
Any information you can
give me on Great-grandfather
Calhoun and/or his family
would be most valuable.

(I found a genealogy
on the rest of this famous
Calhoun family dating back
to 1190 A.D.)
