Death certificate,, of son, William J. (James) Austin, shows father as

"Jeff" Austin. This is consistent with the memory of Kathleen Austin Niles.

Kathleen Austin Niles had a heart attack in 1994. She discovered that she

has a rare heart disease that is hereditary. She wonders if that runs in the earlier family.

Sparta Land Office records show that Wm. J(efferson) Austin purchased land

in Pike Co., AL 28 Jan 1839 (the same day that his apparent uncle Seaborn

John Austin) bought land in the same area, Township 11, Range23.
