And first I direct that my body be decently interred according to the rules and Ceremonies of the Methodist Episcopal Church. And as to such worldly Estate as it hath pleased God to entrust me with, I dispose of the same as follows. First, I direct that all my debts and funeral expenses be paid as soon after my decease as possible, out of the first moneys that shall come into the hands of my Executors from any portion of my real or personal. Also I direct that a fair valuation or appraisement be made by my neighbors to-wit: C. Hamilton, Mr J. Carter & Mr. Pitt. All Part of all my said Estate, and after being signed with their names, that a copy of the same shall be given to each of my Executors. Also I direct that all my real and personal Estate of which I shall die seized or possessed shall be sold or not by my Executors, or any portion thereof, either at private or public sale in their discretion, so far as is necessary to discharge all the just debts against my Estate, either for Cash or Credit, as to them shall seem most advantageous. And to effectuate this my intention, I do hereby vest in my Executors full power and authority to dispose of the same without authority from any Court, in as full & large a manner in every respect, as I could myself do if living.

The balance of my Estate both real and personal after the payment of my just debts, (except such articles hereafter bequeathed as the case may be). I give and bequeath to my beloved wife Caroline Beale, and my beloved daughter Florida Jane Beale share and share alike, provided that the entire residue of my property after paying my just debts as aforesaid, shall be kept together & under the control and management of my Executors herein after named, until the marriage of either my beloved wife or daughter, upon the happening of ~~which~~ either of which events, the entire property hereby bequeathed, I desire to be apportioned by my Executors between my said beloved wife and daughter. I also direct that the share of my real and personal Estate thus bequeathed to my beloved wife, to be in lieu of her dower, if she shall so elect.

I also give and bequeath to my beloved daughter Florida Jane Beale a negro girl named Amelia in fee simple. It is my will and desire that the Guardians of my daughter herein after named shall, should they deem it prudent and necessary at any time, take such measures as will best become to my said daughter, my property that she may fall heir to by this my last will & testament. And to effectuate this my intention, I hereby give to the said Guardians full power and authority to appoint, or to procure from some competent Court an appointment of some discreet person or persons,

I John Howard of the City of Macon, Wilk County Georgia being now in good
 health, and of sound mind and memory do hereby certify that I have made the following
 Item 1st I do hereby constitute & appoint my friend Thomas Hardeman Esq of
 the City, County, and State of Georgia in conjunction with my beloved wife
 Susan P. Howard, as Executor & Executrix to this my last will & testament.
 Item 2nd I do hereby give and bequeath to my daughter Susan S. Smith, my
 negro girl Margarette, with all her issue.
 Item 3rd I do further give to my daughter Caroline my girl Heaten with all her
 issue, with a bed of furniture & Bureau to be given her at the time of her marriage
 age, or at the age of Twenty one years.
 Item 4th I do further give to my daughter Lydia Ancients, my girl Kelly
 Ann, with all her issue, a bed and furniture, with a Bureau at the time of
 her marriage, or at the age of Twenty one years.
 Item 5th I do give and bequeath to my daughter Mary at the time she reached
 the age of sixteen years, my boy Elias, with a bed of furniture & a hand-
 some Bureau, or sooner if she sh^d marry -
 Item 6th I do give and bequeath to my son Thomas at the age of Twenty one
 years, my boy William.
 Item 7. I do give and bequeath to my son John, at the age of Twenty one
 years, my boy Josiah.
 Item 8 I do give and bequeath to my son Edwin at the age of Twenty one years
 my boy Alexander.
 Item 9. I do give and bequeath to my wife Susan P Howard during her widowhood
 and no longer, the following negroes, Aggy, Mary, Josiah, Daniel and
 Adams, with the House and out Houses and various appurtenances therunto
 annexed, with one acre of Land, embracing the said houses, where I now
 reside. Also all my Household furniture, my horse and Saddle, cows
 hogs &c, comprehending all the stock belonging to my premises.
 Item 10th It is my will and desire, that if my wife on consultation with
 my Executor, sh^d think it best to sell the real Estate devised to her, or
 any or all of the negroes, and put the avails in other property for the better
 support of the family, she be at liberty to do so.
 Item 11. It is my special will and desire that my wife keep the younger child-
 ren with her until they are educated, and also keep the property devised
 to each of the minors until the time limited on the several items for its
 distribution, and apply the avails to their support and Education.
 Item 12. In case my wife should marry it is my will that the property devised
 to her sh^d be equally divided amongst my surviving children or their law-
 ful heirs - and the reason why I have limited the possession of the portions
 allotted her, to her widowhood, is that she is the only surviving heir of her
 mother, who is able to make her equal to myself in point of property.
 Item 13. It is my desire that Laura (a cripple) should remain in possession
 of my wife, with her mother Aggy, until my daughter Mary shall marry
 when she and her issue shall go to her exclusive benefit.
 Item 14. I do hereby desire that the remaining one acre and a third of land

more or less, belonging to the Lot where I now reside, that is at present
 improved, to be sold in such way as my Executors and Administrators may think
 best, and out of the proceeds I will my lawful debts, which if I have
 rightly estimated them, do not amount to more than four hundred dollars
 to be all paid, and the balance if any to be put out at interest until my youngest
 child is educated, the annual income to be applied to the payment of
 my childrens Education - And when my youngest child shall have reached
 the age of fifteen years, the said residue (if any) thus put out at interest
 shall be divided amongst my surviving children, or their lawful heirs
 in the following manner. To Elizabeth S. Alden one fourth, and to the
 others, the other three fourths, share and share alike.

Item 15. I do give and bequeath to my three sons my Library of Books,
 to be divided by their mother at her discretion.

Item 16. I do give to my Son Thomas Cook, my Silver watch, and
 all my papers to be used by him as he may think proper.

Item 17. I do give and bequeath to my wife, all the Cash which may
 be found upon my person at the time of my decease.
