- Representments of the Grand Jury for the County of Green at September Term 1823
- 1st We present William Hill Peter Riley and Peter Clark for being engaged in an affray or riot on the first day of September instant, at the Spring near the house of Robert Brooks in said County of Green.
Witnesses Lewis Mosely & Thomas Riley
 - 2^d We present William H. Ray, (and John Washburn) for being engaged in an affray at the store house of Reuben Thornton in the County of Green on the twenty third day of August last. Witnesses Thomas F. Gibb, John Parks and Alden Reed
 - 3^d We present Ara Pond and Edmund J. L. Craffensacker for being engaged in an affray in the Town of Greenboro in the said County of Green on the twenty third day of August last. Witnesses Abraham C. Howard, George M. Bellard and Daniel Gordon
- It^h We present as a public Grievance the little effect produced by the several Statutes and laws in force in this State for the suppression of trading with slaves; owing more believe to the want of vigilance in the Civil Officers of the County and other persons whose duty it is to take Cognizance of such violation of the laws.
- We view with regret that when such abuse is detected that it is almost wholly passed over with impunity, to the evil example of others, and the encouragement of such practices to the great injury of the Citizens both in Town and Country.
- We also present as a public (and) general grievance the frequent Com-
plaints made between owners of negroes (and) persons professing to be injured by them for offences committed by said negroes; instead of resorting to law for the purpose of inflicting condign punishment for said offences.
- In taking this subject into consideration we are of opinion that the evil above alluded to may be attributed to the fact that by prosecuting for offences of minor consideration the lives of negroes are jeopardized, and in the event of condemnation & death the owner of said negro sustains a serious loss a loss equal to the value of said negro a sacrifice too great to be required of an individual for the general good.
- We therefore recommend to our Senator Representatives particularly and to the Legislature generally, to have passed at its next Session a law providing a reasonable compensation to the owner or owners of such slave or slaves as may hereafter be condemned and executed for offences committed against the laws of this State.

We return our thanks to his honor judge Longstreet for his charge at the Commencement of this Term (and) for his steady and indefatigable attention to the business of the Court (and) request that this together with such of our presentments as are of a public nature be published in the Journal (and) Records
